WHAT IS YOGA?

Yoga means union – union with oneself (body mind and spirit), with whole humanity, with nature and with the Supreme Spirit.

Yoga is an art of living, with positive attitude and cheerfulness. A holistic approach to health and wellness. A path to unfold one's capacity for reaching full capacity for happiness. Body-mind balancing, complete relaxation and rejuvenation, Work-life Balance. Training for an integrated and holistic life.

“Go forward – practice yoga everyday with newness and more perfection and enjoy the practice. Eventually you will be rooted in the soil of confidence, courage, patience and perseverance”. Dev

YOGA The Traditional Ancient Indian Classical Wisdom

BENEFITS OF YOGA

Physical

Daily practice of yoga helps to improve the physical stamina and the power of immunity.
